

MIRAGE INKS LTD

are an independent manufacturer and supplier of liquid printing inks to the global packaging market, with a reputation for the highest levels of quality and service.

We currently have a full-time vacancy for a

TECHNICAL SALES EXECUTIVE

Covering the Southwest region of the UK, the position will ideally suit someone with some direct sales experience & technical knowledge of Solvent based, Water based and U.V. liquid ink systems predominantly for the flexographic print market.

The candidate would be required to generate leads and build relationships with potential customers, with good interpersonal skills and the ability to communicate effectively at all levels.

The successful candidate will need to be highly motivated and have a totally flexible approach to the needs of the business.

You will be entitled to 25 days holiday, plus bank holidays along with a competitive remuneration package, including commission, company car & pension.

For more information please apply via email sending your CV to tracey.young@mirageinks.com or write to
